

HOLLOWAY PARK *community*

Project Update
January 2024

Dear Neighbours,

Happy New Year from the Holloway Park team. We have made lots of progress with the project since we arrived in Islington. During this time, we have been learning gradually about the needs of the borough, our neighbours and our future residents. We want to reaffirm our availability to the community to solve any queries as well as to support as much as possible any local organisations.

The next **Drop-in session** will be on **February 7th from 2:30 to 4pm at Holloway Park Site Office** but we can always be reached at the phone number and email address provided at the end of this newsletter.

GREEN SKILLS & GREEN JOBS

At Holloway Park, we are excited to be offering a 2-week **free** Green Skills – Retrofit level 2 course to Islington and Camden residents. This course is due to start on the **26th February** for 15 students.

This will be a great opportunity to find out what Retrofit technology is (such as heat pumps or solar panels) and why it is becoming so important in the construction industry. These skills will be beneficial to get sustainable jobs in the future and maybe even an opportunity to work onsite.

To register interest, type on Eventbrite: Holloway Park – Green skills retro fit level 2.

For more information, please contact: Cherrelle.brown@londonsquare.co.uk

Progress on Site

Site remediation works are still progressing across the site, with ongoing re-use or recycling of materials where possible. The welfare/office set up on phase 1 is still ongoing and is due to complete on end of March.

Upcoming Work

The transfer of pile crush material from phase 1 to phase 2 continues. This is required to allow phase 1 works to begin in the next few months. A temporary haulage road set up will start on February 12th.

Space Available

We have a space available for community groups, charities and local organisations who can't afford to rent a venue. This is for workshops or courses that will benefit the community. If you are interested, please contact us on the details below.

We will be offering mock interviews in an office environment to charities delivering employability workshops.

Donation of clothes

Our first donation of children's clothes from Holloway Park went to Tufnell Park Primary for distribution.

In addition, we have collected and delivered more than 75 pieces of business clothes for women suitable for interviews and office work.

Construction Working Hours

0800 – 1800 Weekdays

0800 – 1300 Saturday
