

HOLLOWAY PARK

PROJECT UPDATE

August 2023

Dear Neighbours,

We really enjoyed meeting residents at our recent drop-in sessions and look forward to future sessions. Drop-in sessions will continue to take place on the first Wednesday of each month so please come along if you have any questions about what's happening on site.

We are continuing to make great progress on site, details of which can be found in this newsletter.

If you would like to receive these updates via email, please let us know by emailing hollowayparkinfo@londonsquare.co.uk

Community drop-in session

Wednesday 6th September

2:30pm – 4pm

Holloway Park site office

PARTY IN THE PARK!

Next month we look forward to joining the annual Party in the Park, hosted by Penn Road Residents Association. There will be stalls, children's activities, food, music, a raffle and more!

The event will be taking place from 2-5pm on Saturday the 9th of September at the Penn Road Gardens.

Members of the Holloway Park team are excited to be joining and are looking forward to meeting more of our neighbours and answering any questions you may have about the project.

WITH SWING DANCE LESSONS
Stalls ★ Food ★ Raffle ★ Music
COME & JOIN THE FUN
★ Games ★ Quiz ★ Prizes ★
!PLENTY FOR EVERYONE TO ENJOY!
COME ALONG & JOIN THE FUN

PROGRESS ON SITE

We are continuing to make good progress with the demolition of the old boiler house for the prison and will have completed these works very soon.

We have now completed construction of the new wall around the boundary of the Phase 1 area, with the retaining wall having been installed along the boundary to the rear of Penderyn Way.

We are also well underway with the removal of ground floor slabs and foundations in other areas of the site and continue to process the waste for re-use and recycling on and offsite.

Demolition materials being separated for reuse and recycling.

UPCOMING WORK

A significant amount of the demolition has now been completed with works now focusing on clearing waste that has resulted from recent piling works.

Remaining demolitions will continue through September with the next building on site to be removed being the old sports hall.

Our dust suppression systems will continue in operation, and we will be moving our crushing area closer to the centre of the site to further reduce disturbance.

We will be continuing to enforce quiet periods throughout the day when noisy, concrete breaking machinery is limited to 2 hours on : 2 hours off.

Water tankers transport water to dust suppression systems around the site.

CONSTRUCTION WORKING HOURS

0800 – 1800 Weekdays

0800 – 1300 Saturdays
