Project Update
May 2024

Dear Neighbours,

Summer is coming and here at Holloway Park we are working to offer free activities to Islington residents. Last month we held our event for people interested in accessing our apprenticeships. Our subcontractors were on site to talk to residents about work they have coming up and you can find more out about this below. We are now focused on planning the next retrofit course for the early summer and details of our current phase 1 building works are overleaf.

In response to requests our drop-in sessions will take place in the evening every other month. You can check our times and dates on our noticeboard located on our front gate, this will also be updated monthly on our website.

Due to technical issues some residents are not receiving our newsletters by email. If you subscribed and haven't received anything on the last months, please register your email again via our website. Don't forget these newsletters can always be accessed via the website; www.hollowayparkcommunity.co.uk

The next **drop-in session** will be **on June 5th from 5pm to 7pm** at **Holloway Park Site Office** but we can always be reached at the contact details provided overleaf if you want to talk to us before then.

Women in Construction Apprenticeship Day

In April, we held our Women in Construction Apprenticeship Day. This was organised with the idea of promoting access to employment support, career guidance and information about upcoming apprenticeship opportunities on site.

It was very successful with 10 potential apprentices with varying degrees of expertise joining us for the morning. They had the opportunity to meet our subcontractors and apply for opportunities they had available as well as get general advice. Afterwards we enjoyed some refreshments together. We plan to hold more events as new roles become available.

For more info on our apprenticeships on site, contact: Selina.Laville@islington.gov.uk

Meet the community: Choices London

In April we attended one of the Choices London food Co-op and meal giveaway sessions. We donated a box of smart work ready clothes and got to talk with the attendees about our apprenticeships at Holloway Park and future workshops. Choices London are local and work to provide a holistic variety of services to vulnerable Islington residents on health & wellbeing, education, training & employment and more. You can find them at Caxton House Community Centre.

Progress on Site

- Piling works on phase 1 are now finished.
- Our welfare/office trailers are been used by subcontractors.
- Drainage work have started this month to make way for our main works.

Upcoming Work

New site roadway to be started on the 6th of June. Deep drainage started on the 24th of April and will last for 8 weeks.

Construction Working Hours

0800 – 1800 Weekdays
0800 – 1300 Saturdays

Meet the community: St George's Tufnell Park

Details of their activities can be seen on their website; www.stgeorgestufnellpark.org
If you would like the Holloway Park to come to a community event, please get in touch.

The Holloway Park team went to meet local residents at one of the lunches held at their wellbeing café which take place on Wednesdays during termtime. All are welcome from 12.15 -1pm. Surplus food is collected from local shops and cooked into a delicious meal.
