Upcoming Works

Dear resident,

We are writing you to give an update on upcoming works at Holloway Park. In June we have started works on the concrete frames to C1 after reducing the piles. These works are part of the 60-month period we announced in the last letter to carry out our main works for phase 1. All works will be undertaken in line with our strict Islington Planning guidelines and construction code.

Works will be from 8 am to 6 pm. Monday to Friday, as per our Islington planning construction hours.

Please find overleaf an indicative picture of phase 1.

Kind regards,

The Holloway Park Team
