

# HOLLOWAY PARK

## PROJECT UPDATE

October 2023

### Dear Neighbours,

We have really enjoyed meeting residents at our recent drop-in sessions and look forward to future sessions. In this newsletter, you can read more about progress being made on site, as well as opportunities to get involved with community initiatives happening in our neighbourhood.

**If you have questions about what's happening onsite or would like to speak to the team, please come along to our next community drop-in session at the Holloway Park Site Office on Monday 6<sup>th</sup> November, from 5:00 – 7:00 pm.**

This meeting is at a different time to usual to allow a few residents who have been in touch to come along after work. In December we will return to our usual time of Wednesday from 2:30pm – 4pm.

If you would like to receive these updates via email, please let us know by emailing [\*\*info@hollowaypark.co.uk\*\*](mailto:info@hollowaypark.co.uk)

## PROGRESS ON SITE

We have now completed the demolition of Block 1 and all works are focused within the ground. We are continuing to process materials from the demolition, while we clear areas to make way for the removal of old building slabs and foundations.

As this work continues, we will continue to use hoses onsite to keep any dust to a minimum, and our monitoring devices continue to monitor and record noise, dust and vibration caused by this work.

## UPCOMING WORK

In the coming weeks, we will be continuing with the work outlined above.

We'll also be building a new 2.4m high black timber fence over the next 3 weeks and this will run from Penderyn Way along to Bakersfield. Please note this temporary hoarding is not our final finished boundary line and it will be removed following the completion of the construction works in this area.

Furthermore, we are preparing to remove the old prison boundary wall behind Bakersfield Estate in mid-November and this is expected to take one week to complete. We'll share more information on this in our next newsletter.
