

# HOLLOWAY PARK community

**Project Update**  
September 2024

## Dear Neighbours,

We hope you have been enjoying your summer. We have been working hard at Holloway Park on improving our communication with local residents. We have a new way to send updates out to the local community, our Holloway Park WhatsApp group. If you would like to receive the newsletter and any updates about works here, we would urge you to sign up. This is also available to anyone who is interested but might be out of the delivery range of our newsletter. Please note this will be a one-way form of communication, so if you want to contact us about anything then please use the phone or email or website to do this.

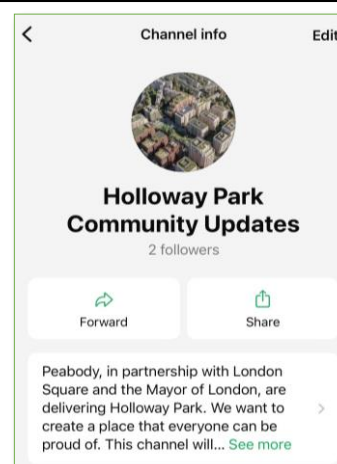

Our **construction and CSCS trainings** are back from **7<sup>th</sup> of October**. Find out more and register your interest with [cecile.bouchet@peabody.org.uk](mailto:cecile.bouchet@peabody.org.uk)

We're actively recruiting **apprenticeships on site**. Find out more and email your CV to

## Walking Art Courses for 2024

We recently collaborated with the Hilldrop Community Centre to deliver a *Walking Art Workshop* session at our Green Skills Hub, where we were able to use elements of the former prison as inspiration for our drawings. If you enjoy creative activities that get you moving, don't miss this chance to join a 5-week course, free for Camden and Islington residents.

Stay tuned for future sessions with us, and in the meantime, contact Helen at [helen@cutmoose.com](mailto:helen@cutmoose.com) to learn more or sign up for a course!

## Looking at artistic ideas at the Serpentine Gallery

The curation training panel have been working with Create London over the past few months learning about art and what is involved in public commissions. The curation training panel is made up of women with lived experience of the criminal justice system, interest in the arts and a connection to Islington or Holloway prison. The initiative aims to reach women who are usually underrepresented in curation.

Members of the panel were able to see how the artwork here might be relevant to Holloway Park where we are looking for artwork to acknowledge those who were in the prison that stood on the site.
