

Hello from the Holloway Park team – and welcome to the summer update!

As part of our continued commitment to maintaining a clean and comfortable environment, we're pleased to share that structural concrete frame works will be completed in the next six weeks. Within the next six months, all blocks in Phase 1 will be fully covered in scaffold— an important step in significantly reducing and eventually preventing dust across the site. Whilst we await this positive milestone, we continue to undertake numerous dust suppression systems as shown on the pictures.

Next Drop-In Session
will be the **2nd of July**
between **2:30 pm to 4 pm**

Residents without borders – bringing Islington together.

In May, the Holloway Park team joined around 250 residents at St Mary's Church for an event planned by Residents Without Borders—a day of connection, conversation, and community.

The event kicked off with inspiring case studies from Islington Access Hubs, who support residents with wellbeing, housing, work, and money matters and was followed by Peabody's approach to development projects, progress on site at Holloway Park and the successes of our Green Skills Hub.

Consultation for phases 2 & 3

Scan the QR code below to join the mailing list and stay informed about future updates and to sign up for our next workshop. Or email info@hollowayparkconsultation.co.uk

Apprentice Opportunity at Holloway Park – Bricklayer Role Available!

Lee Marley Brickwork is offering an exciting opportunity for a local resident to join their team as a **Bricklaying Apprentice** at the **Holloway Park construction site (Parkhurst Road, N7 0AF)**.

 **Qualification:** Level 2 Apprenticeship in Brickwork

 **Employer:** Lee Marley Group

 **Working Hours:** Monday to Friday, 8:00am – 4:00pm (with a 1-hour break)

 **Pay:** £13.85 per hour (London Living Wage)

 **Location:** Holloway Park, N7 0AF

 **Apply by sending your CV before end of June to:**
laura.romero@londonsquare.co.uk

 **Start Date:** To be confirmed

No formal qualifications are needed — just a willingness to learn, a good attitude, and the ability to work as part of a team.

All training is provided, including day or block release to college. Once completed, you'll gain a Level 2 qualification in Brickwork, essential Maths and English skills, and the CSCS card needed for bricklaying work in the UK.

If you're interested or know someone who might be, don't miss out!
