

# HOLLOWAY PARK COMMUNITY

Project Update – August 2025

Dear Neighbours,

## Holloway team at the clocktower festival

This year the Holloway Park team had a fantastic time there hosting a stall with boards showcasing our plans for Holloway Park. It was a great opportunity for the team to connect with local residents, to get more feedback on the plans, especially from some of the wider Islington community who may not have seen much information before about what is happening at Holloway Park.

We also took some balloons along which were very popular with younger residents. It was wonderful to see so many people out enjoying the festival on what was a rather blustery day, joining in with other people within their community.

Next Drop-In Session  
will be the **3rd of September**  
between 14:30pm to  
16:30pm

## Green Skills Hub - Available for Community Use

Did you know our Green Skills Hub is available for residents and groups to use free of charge? We're proud to offer this flexible space to support community activities such as:

- Meetings and workshops
- Book clubs
- Yoga or Pilates classes
- Training sessions
- Other local interest groups

If you would like to find out more and make a booking, please get in touch.

## Consultation for phases 2 & 3

Scan the QR code below to join the mailing list and stay informed about future updates and to sign up for our next workshop.

Or email

## Keeping Construction in the family

We're excited to introduce Ornela, who joined the Holloway Park construction team last September – working alongside her dad and following in the footsteps of other family members in the industry.

At just 19, Ornela manages essential site paperwork while also trying her hand at different trades, including bricklaying. "Bricklaying is not as easy as it looks – there's a lot of maths involved!" she says.

Outside work, Ornela enjoys boxing and is training to become a tattoo artist. Her long-term goal is to complete a Level 4 Site Manager course, but for now, she's enjoying learning a bit of everything.

With a friendly team and more female staff than most sites, Holloway Park is proving to be a great place for her to grow.

If you're 18 or over and interested in construction, we have upcoming apprenticeship opportunities. Email [info@hollowayparkcommunity.co.uk](mailto:info@hollowayparkcommunity.co.uk) for details.

### PROGRESS ON SITE

- Block C1: Roof
- Block C2: Concrete Frame Completed
- Block D1 - D3: Concrete Frame Completed
- Block E1: Concrete Frame Completed
- Block E2: Concrete Frame Completed

### UPCOMING WORK

- Block D1 – D3: Scaffolding, brickwork and SFS
