REMEMBRANCE DAY – MINUTE OF SILENCE ON SITE

On 11 November, our site team paused for a minute of silence to honour all those who have served and sacrificed in conflicts past and present. This moment of reflection brought everyone together—trades, staff, and visitors—showing our collective respect and gratitude.

Thank you to everyone on site who took part and helped maintain a thoughtful and respectful atmosphere.

SEWING SUCCESS AT HOLLOWAY PARK

Kundakala, now running its 11th cohort and recently awarded Best Community Partner at the WM College Awards, continues to help women build confidence, skills and financial independence.

The newest graduates of Make and Mend Programme celebrated their achievements at the Green Skills Hub, showcasing tote bags, clothing and homeware they created over the six-month course.

Seven women completed the programme, joined by tutors Melissa and Maggie, founder Poornima, and partners from London Square, Peabody and Islington Council. Some were featured earlier this year when the BBC visited the Hub.

Standout moments included Ella's matching outfit (she's now a course coordinator), Beyanid's personalised gifts, and Karolina and Paulina's mother-daughter graduation. Verna impressed everyone with a fully lined curtain made as her final project. Each graduate received a certificate and their own sewing machine. With new skills, confidence and support behind them, the graduates leave the programme ready to take on their next chapter.
