

HOLLOWAY PARK COMMUNITY

Project Update – February 2026

Dear Neighbours,

National Apprenticeship Week at Holloway Park

As part of National Apprenticeship Week, we were proud to celebrate the achievements of apprentices working across the Holloway Park development. We brought together our apprentices and their employers for a small celebration, recognising their hard work, progress and commitment to build their careers in construction.

We are also delighted to share that London Square has been highly commended as Supply Chain Partner of the Year by Peabody. This recognition reflects our ongoing efforts to creating opportunities within the construction industry, particularly our work to support and encourage more women to pursue careers in the sector.

We look forward to continuing to support apprentices and working with our partners to create lasting opportunities for local residents as Holloway Park progresses.

BUS STOP K AND ADJOINING BUS LANE CLOSURE

Bus Stop K and the adjoining bus lane have been temporarily closed since 19th February to allow essential works to be carried out on behalf of Transport for London (TfL).

The bus stop and bus lane are expected to reopen once the works are completed. The current anticipated reopening date is 4th March, subject to progress and weather conditions.

We apologise for any inconvenience this may cause and thank residents for their patience and understanding while these necessary works are undertaken.
