

# HOLLOWAY PARK COMMUNITY

Project Update – June 2026

Dear Neighbours,

## Volunteering at Grafton Primary School

The Holloway Park team spent a day helping to bring this valuable outdoor learning space back to life. During the first of three planned volunteer days, our volunteers built raised planting beds, cleared vegetation, repaired a roof, and restored benches, making great progress towards transforming the garden for the school's pupils.

A huge thank you to Pure Logistics, Malcolm, Lee Marley, Stanmore, Wiltons Electrical, and Doug Phillips for generously donating their time, tools, materials, and expertise. This willing band of volunteers who did the heavy work of the first day can be seen pictured. The support received from our sub-contractors is making a real difference to the school and its pupils.

The next group of volunteers will continue the work helping to ensure the garden once again becomes a space where children can learn, play, and grow their own food. We are expecting more of the Holloway Park team including London Square and Peabody staff to be helping on other days as this project progresses.

Drop-In Sessions at our project office N7 0AF

**Wednesday 5 August**  
between 17:00 to 19:00  
&  
**Wednesday 2 September**  
between 14:30 to 16:30

## Pen Street Party

To help our local community a couple of Holloway Park staff helped out at the Penn Road street party last Saturday.

This is an annual event which takes place in the lovely shady Penn Road gardens which are looked after so well by local volunteer gardeners keeping this green space looking so well cared for.

The event was well attended by residents, families with plenty of volunteers helping out on the stalls and selling raffle tickets etc. We donated 4 tickets day passes to go to Kew Gardens as one of the excellent prizes available on the day. There were food stalls and drinks, music, a magician making things disappear and also a visit from the London Fire Brigade was particularly enjoyed by the younger residents.

Pictured on the right is our Tsion from Holloway Park making a marvellous job of selling tea and cake on the day.

## Meet your new Community Liaison Officer – Eva

We are pleased to introduce Eva Bourke as the new Community Liaison Officer here at Holloway Park. Eva comes from a background in Social Care in the Housing Sector and is excited to bring her experience and dedication to community engagement to Holloway Park. She is looking forward to establishing positive relationships and supporting our neighbours. She will be your first point of contact for any questions, concerns or ideas.

### PROGRESS ON SITE

- All blocks: Concrete Frame Completed
- Block D1 – D3: Internal fit out up to level 6 and façade works in progress
- C1 & C2: façade works & internal works in progress, scaffolding and external wall systems in progress. Decorating and mis coating now taking place.
